

EMMETT WILSON LEADS IN 3RD CONGRESSIONAL RACE

With Two-Thirds of the
Vote Reported He is
Ahead 800 Votes.

PENSACOLIAN AND DANNITTE
H. MAYS WILL RUN THE CON-
TEST OFF IN THE SECOND
PRIMARY AND IT IS PREDICTED
THAT HE WILL BE A SURE
WINNER—VOTE WAS WILSON
4,865, MAYS 4,085 AND FLOURNOY
2,399.

INCOMPLETE RETURNS.

	Flournoy	Mays	Wilson
Escambia	509	628	1841
Santa Rosa	169	140	370
Holmes	278	419	610
Walton	448	131	397
Washington	2	2	20
Jackson	356	1507	1003
Calhoun	9	9	12
Franklin	13	82	16
Gadsden	244	333	224
Jefferson	244	269	137
Wakulla	60	60	80
Madison	108	393	155
Totals	3399	4085	4865

Emmett Wilson is high man in the race for congress and he and Dannitte H. Mays will run the contest off in the second primary, on May 13.

Figures received by The Journal, containing only one complete county, Jackson, show that Wilson is leading by the following vote:

Flournoy 2399
Mays 4085
Wilson 4865

Total 11,349
There were probably 17,000 votes cast in the district, so that the above shows about two-thirds of the vote.

Complete returns from Santa Rosa, Holmes, Walton, Washington, Calhoun, Franklin and Wakulla will increase Wilson's lead, though Mays' home county, Jefferson, will probably hold Wilson's lead down to about 1,000.

This lead is bigger even than Mr. Wilson or any of his friends expected in the first primary and it indicates that he is an almost certain winner in the second primary.

He will continue to wage an aggressive campaign until the close of the primary and his supporters are already organizing to make his majority on that date a big one.

DISTRICT RETURNS.
Returns from counties of the Third congressional district are as follows:

For governor—L. Engle 24, Trammell 107, Gibbons 2, Watson 2; congressman at large—L. Engle 96, Toomer 91, O'Brien 30, Williamson 87; for congress third district—Mays 60, Wilson 50. Only two precincts have from.

The Leon county vote is coming in slow. In the Tallahassee precincts the count is not finished. Underwood is leading but Wilson delegates are receiving the largest vote.

EMMETT WILSON TO THE DEMOCRATS OF THE THIRD CONGRESSIONAL DISTRICT

To the Democrats of the Third Congressional District:

I am deeply grateful to the democrats of the Third Congressional District for the splendid vote they gave me in the Democratic Primary of April 30. With the figures before me at this hour, May 1, 11 p. m., I have 4807 votes, Mr. Mays 3986, and Col. Flournoy 1993. The reports yet to come will probably increase my lead. This puts me in the second primary and I shall continue to make an active campaign with the conviction that I will be nominated on May 28. I trust that all those who supported me in the first primary will continue their active work in my behalf, and I shall appreciate also the support of any democrat who, for any reason, did not vote for me in the first primary.

Yours Gratefully,

EMMETT WILSON.

JNO. P. STOKES HAS DEFEATED MORENO JONES

THE LATTER RECEIVED THE
HIGHEST VOTE IN ESCAMBIA
COUNTY, BUT STOKES GETS BIG
VOTE IN SANTA ROSA AND
WALTON.

With Escambia county complete all but Precinct 19, which contains only 13 votes, and with incomplete returns from Walton and Santa Rosa counties, John P. Stokes appears to be elected over C. Moreno Jones for state attorney in the first judicial circuit.

Jones leads Stokes in Escambia by 46 votes, but reports indicate that Walton will give Stokes a majority of 250 and Santa Rosa county will probably give him 250 majority.

GIRL CONFESSES TO BOLD ROBBERY

Wanted to Get Married so Took Money
From Railroad and Gave it to Her
Sweetheart.

By Associated Press.
Chicago, May 1.—Mary Reynolds, a ticket agent employed by the Illinois Central Railroad, who told the police a story of being held up and robbed of \$150 by two men in the station last night, confessed today that she had concocted the story of the robbery and had given the money to her sweetheart.

"I took the money and gave it to Charles Duffy," she said. "We were soon to be married and neither of us had much money. I might have known I would have been found out."

EXAMINER APPOINTED.
New York, May 1.—Frank I. Polk was appointed today as commissioner to take the testimony of J. Bruce Ismay, Charles H. Lightoller, Joseph G. Rexhall, Frederick Fleet and Harold G. Bride of the White Star line, in advance of the filing of papers in a suit for damages to be brought by Mrs. Louise Robins, widow of Col. John Jacob Astor's valet, who was lost in the Titanic disaster.

Robbed by three men last Thursday night. Motorcycle police, after a spectacular chase, overhauled an automobile of the same description used by men who robbed the cashier. The chauffeur did not stop but tried to force the motorcycle of one of the policemen into the curb.

Riding at forty miles an hour, the policeman jumped to the running board of the automobile and clubbed the chauffeur into submission. In his cap was found \$100 in bills. He is believed to be the driver of the robbers' car.

From the chauffeur the police received information which they believe will aid them in capturing the robbers.

COTTON MARKET WEAK AND ACTIVE

Under Heavy and General Liquidation
Prices Broke \$1.75 a Bale From
Closing Figures of Previous Day.

By Associated Press.
New York, May 1.—The cotton market was weak and active and weak today under heavy general liquidation with prices breaking over \$1.75 a bale from the closing figures of yesterday and approximately \$3.75 per bale from the high records of early last week.

There seemed to be no particular feature to account for the decline, for some of the biggest cotton houses in the trade were reported to be very heavy sellers both here and in Liverpool and the general liquidating movement was said to reflect a conviction that the recent advance had discounted all bullish old crop features and also a late start with planting in the south.

STEAMER WAS SUNK BY SHELL

The Texas Deviated From Proper
Channel and Was Sent to the Bottom
by Shell From a Fort.

By Associated Press.
Constantinople, May 1.—A telegram from Smyrna today says the steamer Texas, which went down in the Gulf of Smyrna with 140 persons Monday night, was sunk by a shell fired from the military fort and not by a mine, as at first reported.

The dispatch says two blank shots were first fired by the Turkish fortification, warning the vessel that she had deviated from the proper channel. When no notice was taken a shell sent the ship to the bottom.

The new version is regarded as quite probable, for the authorities had repeatedly warned shipping companies that their vessels would risk becoming targets for the fort if they strayed from the proper channel.

MANY MINTS TO BE ABOLISHED

The One at New Orleans is Among the
Number to go on Account of Red-
ucing Expenses.

By Associated Press.
Washington, May 1.—The general supply bill reported in the house today proposes abolishment of the mints at New Orleans, San Francisco and Carson City; the assay offices at Charlotte, N. C., Boise, Idaho, Deadwood, S. D., Helena, Mont., Seattle, Wash., and Salt Lake City.

The bill proposes reduction of the presidential secretary's salary from \$7,500 to \$6,000 and abolition of the bureau on manufactures and statistics.

The bill is a wholesale attempt at reduction of government expenses.

MEDAL IS AWARDED TO LIEUT. S. S. YEANDE

By Associated Press.
Washington, May 1.—A medal of honor was awarded by the treasury department today to Lieut. S. S. Yeandle in recognition of his heroism in rescuing two men from drowning in the Savannah river during the South Atlantic hurricane in August last.

Yeandle is a native of Atlanta, Ga., on duty on the cutter Yamacraw.

NO APPROPRIATION FOR THE COMMERCE COURT

By Associated Press.
Washington, May 1.—By failing to report an appropriation for the recently created commerce court, the house committee on appropriations today sought to abolish that tribunal.

MILTON IS IN THE SECOND PRIMARY

Late Returns Indicate That
He and Trammell Are
in Race.

ABOUT FORTY PER CENT OF THE
VOTE THUS FAR REPORTED
SHOWS UNDERWOOD HAS CARRIED
THE STATE—L'ENGLE IS
CONCEDED TO BE LEADING THE
TICKET FOR CONGRESSMAN AT
LARGE.

Special to The Journal.
Jacksonville, May 1.—Jno. T. G. Crawford tonight issued the following statement:

Trammell has a large lead but Milton will be in the second primary, as he is about two thousand votes ahead of Gibbons.

I have majorities over all in all counties reported for national committee except Bradford, Marion and Suwannee and will win in the first primary. Wilson delegates are leading throughout the state.

By Associated Press.
Jacksonville, May 1.—With not more than forty per cent of the vote of yesterday's presidential preference pri-

mary reported the earlier figures indicate Underwood carried the state by a substantial majority over Wilson. Wilson showed exceptional strength in the Third congressional district (Pensacola) where incomplete returns indicate he will receive a majority of one thousand over Underwood. Nothing like definite figures will be obtainable until probably Thursday night. In the gubernatorial contest Park Trammell is leading with Cromwell Gibbons and former United States Senator W. I. Milton running closely for second place. Claude L'Engle is conceded to be leading the ticket for congressman at large. Congressman Sparkman will be returned from the First district and Frank Clark is leading in the Second district.

HILLSBOROUGH COUNTY.

Tampa, May 1.—Stephen M. Sparkman has carried every county in the First congressional district except one. His majority in Hillsborough being over twenty-one hundred, and he has a majority in the district ranging from thirty-five hundred to four thousand. Later returns may increase his majority. Herbert Phillips, state attorney, was his opponent and his vote shows clearly the great confidence reposed in the chairman of the voters and harbors committee, S. M. Sparkman.

Twenty-seven precincts complete: Trammell 151, Gibbons 1098, Watson 469, Milton 555. It will be Thursday noon before complete count can be

FLOOD WATERS SPREADING RAPIDLY OVER VAST AREA

Crevasse at Torras, La., the

WILL FLOOD THE THICKLY SET-
TLED AND RIVER PARISHES OF
POINTE COUPE AND ST. LANDRY—
AT 10:30 FAST MOVING

WORTH, EIGHT MILES DIS-
TANT.

Torras, La., May 1.—At 10:30 to-night the crevasse water had reached Lettsworth, the first town in its path, eight miles south of here, and was in sight of Benvenue. These two towns and Smithville will be inundated by morning. At 11 o'clock there was a foot and a half of water in Torras streets.

By Associated Press.
New Orleans, May 1.—The reported crevasse in the west levee of the Mississippi river at Torras, La., the junction with Red river, was officially confirmed tonight in a telegram to the United States engineers' headquarters here from Assistant Engineer Lewis.

Taft and Clark Win in Massachusetts Primaries

By Associated Press.
Boston, May 1.—The refusal of the Republican delegates at large to accept to Roosevelt's decision today that they should vote for Taft at the Chicago convention, although elected as Roosevelt delegates, further complicated the situation arising from the state primaries yesterday. The situation, it is acknowledged by party leaders on both sides, is without a parallel in the political history of the commonwealth.

Although the Republicans of the state selected Taft as their candidate for renomination by a majority of 3,605 over Roosevelt, on the presidential preference ballot, at the same time Taft and Roosevelt each have eighteen delegates from the state to the national convention.

A somewhat similar situation was

created on the Democratic ballot. Champ Clark, who had no pledged delegates on the ticket, won a two to one victory over Woodrow Wilson in the presidential preference contest. At the same time the delegates at large are pledged to Gov. Foss of Massachusetts and elected to attend the Baltimore convention, though the name of Foss did not appear in the presidential preference column.

Roosevelt's followers have announced they intend asking for a recount in the Eighth district while the Taft men will do likewise in the Ninth, on account of the closeness of the vote.

TEDDY MAKES REQUEST.

Roosevelt today requested the delegates at large to vote for Taft, declaring it is his wish to abide by the will of the people. The delegates answered that under no circumstances would they vote other than for the one they are pledged to support in the contest.

UNDERWOOD CARRIES GEORGIA BY ABOUT 7,000 MAJORITY

By Associated Press.
Atlanta, May 1.—Underwood of Alabama is Georgia's choice for the Democratic nomination for president, as expressed in the presidential preference primary in Georgia today. "Practically complete, but unofficial returns compiled at midnight indicated he carried 100 of the 146 counties in the state and

that his majority over Wilson will be between seven and eight thousand.

Clark and Harmon received a small vote. Underwood's majority means he will carry Georgia's 28 votes to the Baltimore convention. In Fulton county, in which Atlanta is situated, Wilson received a majority of 2,500 votes.

Are to Sit in the Case of the Alleged
Virginia Outlaw.

By Associated Press.
Wytheville, Va., May 1.—The jury was sworn tonight to try Floyd Allen, indicted for five murders in the Carroll county courthouse. Nine farmers and three merchants compose the jury.

The motion of the defense to consolidate the five indictments against Floyd Allen and obviate the necessity for separate trials was overruled.
